# Chicopee High School

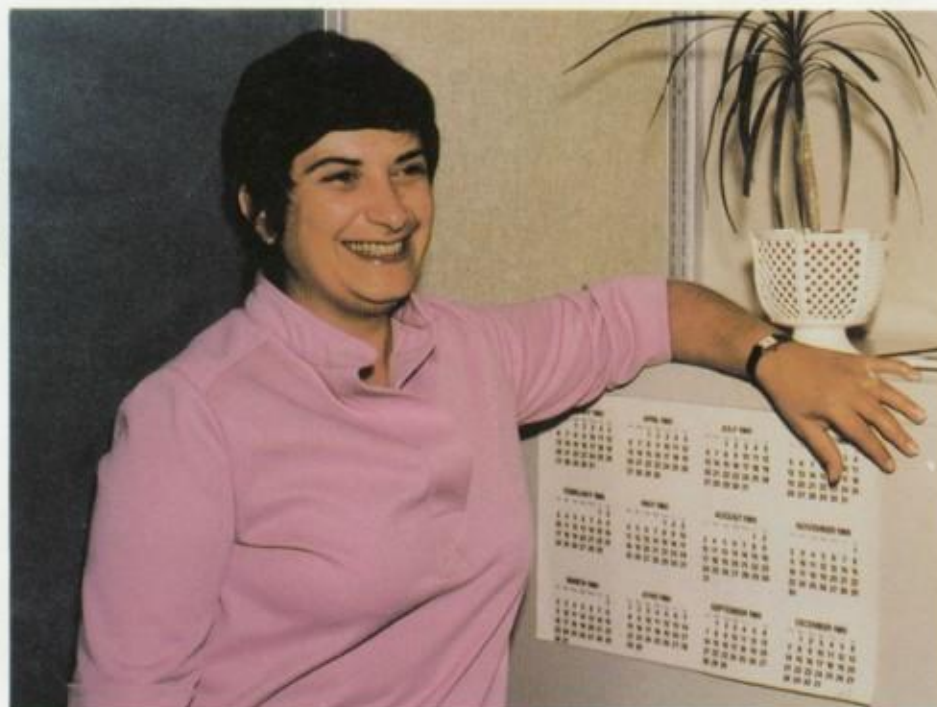

## ***In Dedication . . .***

Throughout our four years at Chicopee High School, one special person has seen us through all of the difficult and rewarding periods in our lives. Whenever someone needed counseling on a subject or just a helping hand, this person was always willing to be of assistance. She stood by us, sharing in our laughter and spirit.

For all of the faith and enthusiasm she had in our class, we express our love and gratitude. We, the Class of 1981, are deeply proud to dedicate our yearbook to *Miss Rhane Simon*.

# *Advisors*

Advisors: Miss Simon and Mr. Thompson

**Dear Class of 1981,**

It has been a genuine pleasure serving with you during this four year adventure; an adventure which I hope brought you at least some measure of happiness as well as many treasured memories.

Class advisors are fortunate people in that they have an opportunity to work and become acquainted with the best people the class has to offer. I was more than fortunate because the Class of 1981 has an abundance of quality people.

In closing, please accept both my sincere gratitude for your kindness and cooperation and my sincere hope that life will always be fair to you.

God bless you!

Sincerely,

*Michael J. Thompson*

**To the Class of 1981,**

I was pleased and proud when Miss Babachicos asked me to stand in for her as Co-advisor to your class. I have always felt close to you because I have known most of you since your freshman days at Kirby Annex. The experience of working with you these past years has been one of the most rewarding of my life. I shall miss you as you leave Chicopee High School to take up your lives. All I have to offer as a gift is my warmest personal regards and my hopes for the best for each of you.

Sincerely,

*Rhaneé Simon*

Officers: Carol Wodyka, Sue Keenan, Tom Croteau, and Ken Czuchra.

## Officers

Ken

Being the class president has meant much to me. I met a lot of people and had a lot of good times. I wanted our class to graduate in style. That we did. There was no single individual to take the glory. We all helped in our own way. Graduating from Chicopee High School is a big step. We succeeded in school and can, no doubt, succeed in life. Set a goal and go for it.

**Ken Czuchra - President**

As Vice President for the past three years, I was given the opportunity to work with and for our class. With this came experiences and memories that I shall always cherish. I believe the Class of 1981 is filled with spirit and pride, and each member is gifted in his own, special way. Take advantage of life's opportunities, and may success, happiness, and good health be yours forever.

**Sue Keenan - Vice President**

Tom

Acting as your treasurer for the past three years has brought me closer to the class. Because of this I have come to appreciate the many fine people with whom I have worked. I have every confidence that in the years to come, each member of this class will achieve whatever goals they set for themselves.

**Tom Croteau - Treasurer**

Being class secretary has made my high school years the best of my life. The people I've met, the things I've learned, and the fun times I've had provide me with many great memories that I'll cherish forever. Thanks and good luck to the Class of 1981.

# ***Thank You . . .***

**Dear Mr. Morissette,**

**The Class of 1981 was very fortunate to have been under your guidance for four years. The enthusiasm you showed, and the inspiration you instilled in our class has made these years memorable and worthwhile. Because of the confidence and pride you gave us, we thank you.**

# MEMORIES

---

Once upon a time,  
there were freshmen.

Packed into the Kirby  
Annex hallways, they

knew from that point on that they would be  
known as the Class of '81.

With Mr.  
Morissette's fearless  
leadership, the Class  
of '81 knew that  
somehow they would  
get through that first  
year.

It was now their sophomore year, and the class chose its leaders. Senior year

It's the big time now!

did not seem as distant as it did one year ago, so attention was now focused on fundraising for senior year activities.

Standing: Miss Babachicos, Tom Croteau, Jackie Therrien, Mr. Thompson. Kneeling: June Dudek, Sue Keenan.

Class rings are distributed.

The combined tag and bake sale was a huge success, as were the many car washes held that year.

Is everybody ready?

Heyyy!

They were at the High School now, and the group of freshmen graduates were in the mainstream of high school life.

Their third year was a busy one. A major fundraiser was held, and it proved to be successful. It was the year of their first class formal, the Junior Dinner Dance.

Standing: advisors-Miss Simon and Mr. Thompson. Sitting: Carol Wodyka (secretary), Mary Kelleher (president), Sue Keenan (vice president), and Tom Croteau (treasurer)

The Junior/Senior field day symbolized the end of one reign and the beginning of another. The Class of '81 truly had what it takes.

It was soon their senior year. What had seemed like such a long time away back in that Kirby Annex gym was now before their eyes. It was a busy year with many activities: the prom, banquet, picnic, field day, and, of course, graduation.

The class officers and advisors meet to discuss plans for senior year.

They had reached the end of their high school careers. Now more mature and confident in themselves, the Class of '81 was ready to face the future with enthusiasm and spirit.

Hard work, respect, strong spirit and high levels of performance are qualities which 31 year veteran head coach Bill Moge seems to bring out in his team. Because of this, the team has had a reasonably good season.

Coach Bill Moge and the Pacers faced one of their biggest challenges this year. A small turnout hurt the team and they were expected to have a poor season. Even though the Pacers finished with a 3-6 record, their fine efforts produced sweet victories against cross-town rival Chicopee Comp and highly ranked Holyoke.

The Pacers were led by senior captains Dave Boisselle,

Ben Meder, John Bertolasio, and Mike Belanger.

Outstanding players for the Pacers this season were sophomores Greg Roy, Paul Szukala, Joe Donze, Joe Champigny, Tony Bertolasio, and Tim Zabik; juniors Phil Morin, Phil Barber, Mark Pirog, and Brian Parenteau; and seniors Dave Boisselle, John Bertolasio, Rolando Torres, Ben Meder, and Dan Deyo.

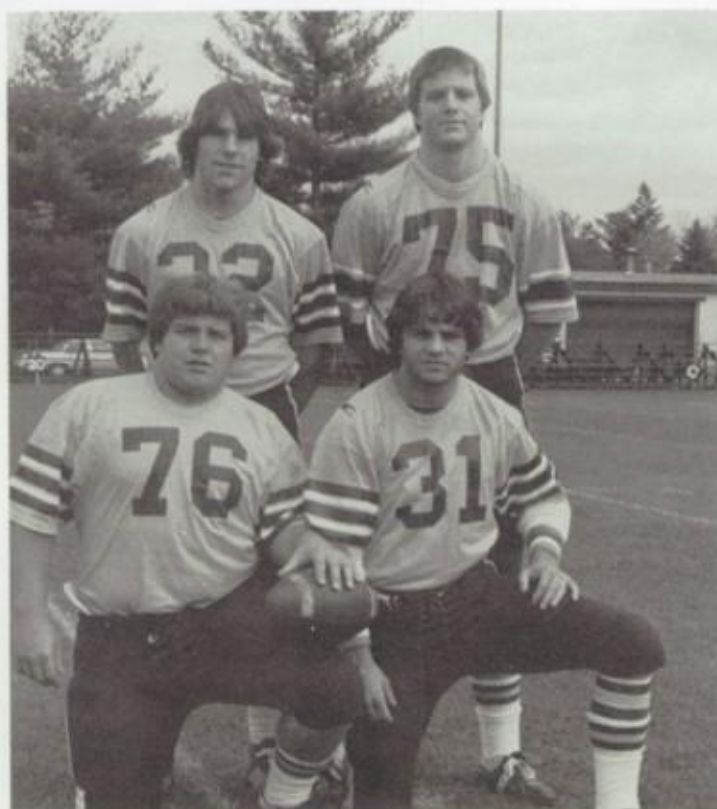

Front: Gus Gelinas, First Row: Tony Oliveira, Paul Jubinville, Tim Carroll, Dean Tortoriello, Michael Belanger, David Boisselle, Ben Meder, John Bertolasio, Ted Presnal, Paul Donze, Dan Deyo, Rolando Torres, Second Row: Michael Nadeau, Doug Dowd, Stan Bazan, Michael Gatzounas, Mark Schuerfield, Brian Parenteau, Mark Pirog, Phillip Barber, Phillip Morin, Gregory Fontaine, Luis Garvalho, and assistant coach Ray White. Third Row: Head coach William Moge, Mark Gatzounas, Joe Champigny, Joe Donze, Richard Styckiewicz, Tim Zabik, Greg Roy, Paul Szukala, Alan Fischer, Tony Bertolasio, David Riddle, Richard Martin, Duane Chouinard, assistant coach Charles Hansley.

Second year coach Paul Whalley did a fine job with this year's soccer team. Although he was a tough coach he got along well with all of his players. With his knowledge and experience, he produced a hard-working, well disciplined, winning team.

They showed how good a team they really were by tying this year's Western Mass. Champs Cathedral 1-1 and last year's State Champs Ludow 0-0 and 2-2. Coach Paul Whalley was very Proud of the team. "They were hard workers who played great, short passing soccer." Defensively

they allowed only 20 goals. They dominated many games but weren't able to finish them with wins.

Exceptional performances by Rusty Randall earned him a position as first team Western Mass. fullback. Steve Page and Dave Williamson also won Western Mass. second team honors.

Powerful playing by underclassmen Dinger Howe, John Novak and Kurt Mac Donald indicates another fine season for Pacer soccer next year.

The Girls Varsity Swim Team was led by the senior and sophomore classes. The team itself was small, but spirit, pride, hard work, and determination made up for the lack of members. First year coach Cindy Piela and assistant coach Debbie Daveau worked long and hard to get the team into shape. All of the effort everyone put in proved to be valuable when five of the nine swimmers on the team competed in Western Massachusetts.

The Pacers 400 free relay team, composed of sophomores Gayle Tylunas, Cindy Pise and alternate Renee Ruel; and seniors Kathy Orzechowski and Ann Bazan, gave a fine performance placing twelfth at Western Mass. Outstanding swimmers for the Pacers were seniors Sue Boillard, Ann Bazan, who made the All-Western Mass. team, and Kathy Orzechowski; junior Mary Polchopek; and sophomores Lynn Orzechowski, and Debbie Wingate.

This was a rebuilding year for the boys basketball team. Even though they had only three seniors they showed us some very exciting basketball. Senior John Fairbanks became the leader of the squad as he held the team together with his consistent playing. Don Desmarais's outside shooting and Dennis Houle's determination and hustle helped to make a solid team.

Highlights of this years team consisted of a

stunning upset victory over arch rival Comp and an impressive win over a strong Cathedral High team. Coach Franczek was very pleased with the progress of his team this year. Even though their record was not a favorable one, the team demonstrated real hustle and fine play. # Hockey

Once again, the coaches for the hockey team were Chuck Londraville, Tom Nato, and Rusty Wiedimier. Together they did a great job coaching this year's team. By analyzing the sport of hockey, they brought the sport down to a technical aspect, and by keeping their sense of humor they managed to help pass the time of day. These coaches have a special touch when dealing with young adults.

Captains John Scheesher and Jim Connolly, along with seniors Scott McKechnie, Paul Donze, and Glen Golba, provided the motivation the team needed during their practices and meets. The CHS swim team demonstrated that hard work and spirit does pay off when they captured a sixth place finish in Western Mass.

Junior Ron Milkay came out with 11th and 12th place finishes in the 100 yd. butterfly and the 50 yd. freestyle respectively, while senior Scott McKechnie finished 5th in the diving competition. 3. Gary Sickles shows some intensity as he makes his turn.
4. Todd Churchill powers himself through a turn in the slalom.
5. Skier Howard Ludke carefully edges around an icy turn.
6. Steve Frederick shows his style as he races down the hill.

The squad showed marked improvement over last years team. All the skiers produced a good, solid effort for the CHS team. Even though they did not have a winning season, they can be extremely proud of the way that they performed on the slopes. It is apparent that the group enjoyed the vigorous competition which the season brought forth.

1. Todd Churchill speeds down the course, turning in an excellent time.
2. Coach Phil Corso smiles at the fine performance put out by his skiers.
3. A Pacer skier darts out of the starting gate.
4. Dave Puzzo displays some of his style.
5. Chris Cove challenges the course.

The team having only underclassmen, should be a strong contender next season. Even though the team was young, they showed great promise, and with this years experience the outlook for future victories is especially bright. Coach Phil Corso was extremely pleased and impressed with the job done by the down hillers.

Front row: Joanne Wischerth, Jackie Hurst, Coach Phil Corso, Michelle LaPiere. Back row: Dave Puzzo, Rich Nunes, Steve Frederick, Gary Sickles, Chris Cove, Howard Ludke, Todd Churchill, Dave Semitaro. Missing: Jay Crochlere

# Cheerleading

For the past ten years, from September through August, Mrs. Pat Maroney has been coaching the CHS cheerleaders. She is certainly one of the most dedicated coaches this school has, sharing with her squad her time and talents for which they are sincerely grateful. The girls consider themselves very fortunate to be under her guidance.

The CHS girls cheerleading squad had another busy year cheering for the football, soccer, and basketball teams. Whatever the weather, you would always find these dedicated girls either cheering our teams on to victory or helping to lift their spirits. In addition to their busy cheering schedule, the girls also compete in their own rite. With the help of their coach the girls make up their own routines and cheers. And of course, they help to bring out the enthusiasm in all of us during our football rallies.

This year, the girls were led by captain Diane Coelho, and Seniors Donna LaPointe, Sue DellaPenna, Beth Parent, Sue McIntyre, and Mary Nicoli. All of these girls put in their best effort this year and they will be sincerely missed. The cheerleaders also had an outstanding competition season, capturing first, second, or third places in all of their meets. We would like to extend our appreciation to all of the girls for their efforts. Good luck to next years squad!

# Pro Merito Society

The Pro Merito Society is composed of seniors who have maintained an average of 89.5 or above throughout their four years in high school; the National Honor Society is composed of students who have upheld an average of 84.5 or above.

In cooperation with each other, these societies participate in the Aquathon for Easter Seals and they also manage the annual Toys For Tots campaign. This year, CHS was the leading money raiser in the Easter Seal Aquathon. The students also collected hundreds of toys, making the holiday season much brighter for many youngsters.

After all of their hard work, the students reward themselves with a three day weekend in Washington.

# Council

The Student Council is the student governing body of Chicopee High School. It consists of twenty elected representatives and three class presidents. The twenty elected representatives consist of five twelfth graders, five eleventh graders, five tenth graders, and five ninth graders.

A few of its purposes are: to serve as the general representative of the student body; to improve upon the existing relationships between the student body, the faculty, the administration, and the community; and to schedule and oversee the student activity calendar for all classes.

The Key Club is a group of students whose primary purpose is service in both deed and also financial aid of the students in the school. The Key Club never gives the names of its recipients. They keep their business quiet. But one example of what they do is renting rooms for those who consider dropping out of school. They have also donated the wooden lecturn in the auditorium. They raise their money by fundraisers and they loan money, present gifts, and donate human service. Chicopee is one of the few in the country to have mostly woman in the club. Women have the right to serve their fellow students as well as anyone else. Chicopee High School has always had female leadership in the Key Club.

Once a year there is a DECA competition in which students compete in the areas they are interested in after school. The officers go to monthly meetings of DECA.

# Band

Band is an activity which is educational and fun. It is the ultimate musical experience which a person interested in this field can ever hope to achieve in his high school education.

The marching band attends band camp every summer. There they learn precision marching. In addition they arrange and rehearse their half-time programs.

They attend all football games except on days of inter-orchestral competition.

Both the concert and jazz bands have frequent concerts in the CHS auditorium and in The Bellamy auditorium.

## **TO THE GRADUATING CLASS OF 1981**

The words most commonly used when addressing graduates are "success" and "happiness". Each of us has, some to a larger and others to a smaller degree, some control over our success and happiness. One must start with setting of values.

As you enter the adult world you begin to set priorities as to what your accomplishments should be in the immediate future. These priorities will change and will be eliminated, strengthened or weakened as time goes on. You will discover that competition is the backbone of our economic and social structure. Competition is very healthy. However, it is healthiest when it centers on competing with one's own self.

If your job skills are improving each year, if your human relations are more rewarding each year, if your interests are deepening and expanding each year, if your civic responsibilities are increasing each year etc., you are successfully competing.

I should like to point out that life is full of disappointments and they should be considered as learning situations from which new hope and endeavors should be launched. In closing, I would urge you to discard the social philosophy of the past twenty years which is based on the tenet that individuals are not responsible for their misdeed or indiscretions but that we are victims of society. **YOU ARE SOCIETY!**

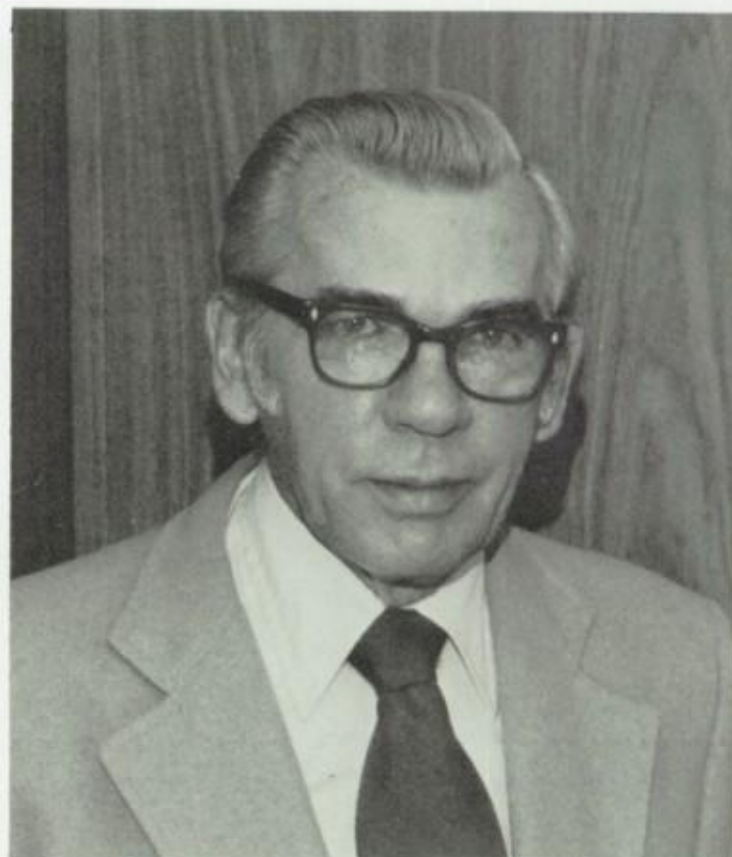

William Coscore,  
Superintendent of Schools

## **TO THE CLASS OF 1981**

It is a pleasure to offer my congratulations on your many fine achievements as a graduating class. Many of you have already brought high honor to the city for your academic, athletic, and good citizenship efforts. You will bring many talents and skills to our community. I hope that you enjoy all the success that you richly deserve.

David J. Kowalczyk  
Assistant Superintendent

William E. Mielke  
Coordinator of Secondary Education

#### TO THE CLASS OF 1981

It gives me great pleasure to extend my best wishes to the graduating class of 1981.

During the past four years many exciting things have happened to both you as students, and to me as an administrator at this great high school. The future will be equally exciting. The knowledge, talents, and skills which you have acquired will assist you in the years to come. The challenge before you is great. I know you will live up to it.

It has been a real privilege for me to have known you as a class and as individuals during our four years together. May God bless you all, and may you make the world a better place than it was before you.

Donald J. Morissette, Sr.  
Principal

#### GREETINGS TO THE CLASS OF 1981

It is pride in you that I feel most strongly when I consider this class. You have proved to be a responsible unit and this sense of responsibility has reflected in all you have done for your class and for Chicopee High School. Everyone associated with the school has watched your development. We are pleased with the results. May you continue to prosper and reach your individual goals of success.

Albina Forys

#### TO THE CLASS OF 1981

Chicopee High School is a very special place. It has been a very rewarding experience for me to be a part of your high school experience. We both can look to the future with a feeling of achievement and pride. Your hardwork has now brought you to a new *threshold*. Many future successes and triumphs will certainly follow your four years of growth and maturity at our very special high school. You can always look at your past with pride because you are a member of the Chicopee High graduating class of 1981.

David J. Kowalczyk  
Vice Principal

#### TO THE CLASS OF 1981

##### GRADUATION-FIRST STEP TO THE FUTURE

The completion of your high school years begins a new step on the stairway to your future. As you begin a new decade, the challenge of the 80's looms ahead. The training you have received could be looked upon as pieces of a puzzle. The missing pieces fall into place as you continue through life. Many of the parts are specifically formed by you using the formal training you have received or will receive in the coming years. Other parts will become part of the puzzle as a result of the ups and downs that life presents to all. Experience allows us to trim and fit all parts to form the ultimate picture, a happy successful future.

Best of Luck to All

## **Safely Home**

I am home in Heaven, dear Ones;  
It's so happy and so bright:  
There is perfect joy and beauty  
In this everlasting light.

All the pain and grief is over,  
Every restless tossing passed;  
I am now at peace forever,  
I am safely home at last.

Did you wonder why I calmly  
Walk the valley of the shade?  
It's Jesus who has lighted  
Every dark and fearful glade.

And He came Himself to meet me  
In that way so hard to tread;  
And with Jesus' arm to lean on,  
Could I have one doubt or dread?

Then you must not grieve so sorely,  
For I love you dearly still:  
Try to look beyond earth's shadows,  
Pray to trust our Father's Will.

There is work still waiting for you,  
So you must not idly stand;  
Do it now, while life remains  
You shall rest in Jesus' land.

When that work is all completed,  
He will gently call you Home;  
Oh, the wonder of that meeting,  
Oh, the joy to see you come!

On December 22nd of 1980, David Kowalczyk was appointed Assistant School Superintendent. His office as vice-principal of CHS is now being filled by Louis P. Wischerth. Although He is no stranger to the school system, Mr. Wischerth has never served in an administrative post in a high school.

At the beginning of the second semester, Mrs. Albina Forsyth took a leave of absence for health reasons. Frances Bigda, a former administrative assistant at Kirby, now fills the office of Assistant Principle. Mrs. Bigda taught at CHS from 1965 to 1978 in the social studies department. We wish them both the best of luck!
